ONE Hosted Waseda University Students in Thailand

Ocean Network Express (ONE) Thailand recently hosted 17 Japanese university students from Waseda University. All of them are international logistics seminar's students, whom are in their junior years at the university. They visited the ONE Thailand office at Chamchuri Square in Bangkok as a part of a company visit activity.

Mr. Kiyoshi Tokonami (Managing Director ONE Thailand) and Kazuhiro Kuroda (Assistant General Manager, Marketing and Planning Division) provided the students with a presentation on the overview and history of Ocean Shipping Industry and ONE's business operations.

This hosting of Japanese students followed another recent CSR activity in August 2019, where ONE Thailand welcomed 12 Japanese university students -- 11 of them from the Tokyo University of Marine Science and Technology (TUMSAT) with 1 of them from Kobe University.

ONE Thailand is delighted to welcome these future generations of Japanese students at the office and hope that they have gained more in-depth knowledge and understanding of Ocean Shipping Industry and ONE's business.

ONE Thailand believes and plans to be continuously involved in further CSR activities in the future.
